MAAPP 2.0 – HPAC Safe Sport Agreement

This document sets forth the policies and waivers that must be reviewed and approved as part of the registration process for members of the Highland Park Aquatics Club ("Highland Park Aquatics Club" or the "Club").

The safety and well-being of our athletes remain the highest priority of Highland Park Aquatics Club and USA Swimming. No form of abuse, including child sexual abuse, has any place in our sport.

I can view USA Swimming's MAAPP 2.0 policy on our HPAC website or by visiting USA Swimming HERE.

I can read all about how USA Swimming & HPAC keep our children safe with Safe Sport by checking on our website.

USA Swimming's Minor Athlete Abuse Prevention Policy 2.0 ("MAAPP 2.0") addresses the following areas:

- one-on-one interactions between adult participants and minors;
- meetings and individual training sessions;
- social media and electronic communications between adult participants and minors;
- in-program travel and lodging;
- locker rooms and changing areas; and
- massages and rubdowns.

USA Swimming requires all member clubs, including HPAC, to ensure that each adult participant, including parents or legal guardians and coaches, as well as all athlete participants age 18 and older, review the Minor Athlete Abuse Prevention Policy.

The MAAPP 2.0 policy may be viewed on the HPAC website or through the USA Swimming website.

As an HPAC member, I acknowledge that I am required to review and, where applicable, discuss USA Swimming's MAAPP 2.0 policy with my swimmer(s). I further acknowledge that I am required to comply with USA Swimming's MAAPP 2.0 policy.
