Declaration of Decontamination

In accordance with statutory provisions and to protect both our staff and our operational equipment, we require this signed 'Declaration of Decontamination' before your order can be processed.
Any remaining adherent medium must be removed before the equipment is shipped. This is particularly important if the medium is hazardous to health.

Please complete this declaration and attach it to the outside of the package in a visible position.

Equipment/sensor type: **Series/com. no.:**

Warnings for medium							
	Medium/ concentration	**flammable**	**toxic**	**corrosive**	**hazardous to health / irritant**	**misc***	**harmless**
Medium in processing		☐	☐	☐	☐	☐	☐
