

WEEKLY NEWSLETTER

Sep 15 2025

Week 2 has come to an end, and by now, all swimmers should have their equipment according to their group.

Gold and Senior Swimmers, please note that your **Friday** swim time has been adjusted to 6:00 pm. Please refer to the calendar for details, as some Fridays will be adjusted due to High School Meets.

Parents, please consider adding a face picture of your swimmer to your profile. It really helps the coaches learn and recognize your child's name more easily. If you haven't done so yet, kindly upload it.

Swim meets are being added each week. Parents, please take a moment to check and ensure you plan ahead and register your swimmer for the correct meet. Don't forget to register before the deadline!

FUNDRAISER - SWIM-A-THON

Parents, we still haven't had all swimmers registered for the Swim-A-Thon fundraiser. This is a club event, and the funds will benefit your swimmer. The event only succeeds if every swimmer participates and reaches their goal. If you haven't registered your swimmer yet, please do so today using the link below.

[Swim-A-Thon Register Link](#)

Please remember that you won't be able to register for the USA Swim Meet unless you've added a payment method to Commit Swimming. All swimmers need to be registered with USA Swimming as it's a requirement. If you haven't done so yet, please do it as soon as possible.
