Dear Community Partner,

Thank you for being an important part of our community. I'm reaching out on behalf of the **Goshen Rays Swim Club**, a non-profit organization dedicated to making swimming accessible and affordable for youth in Goshen and surrounding areas.

Our mission is to **cultivate a diverse swim culture through quality education, training, and competition**—teaching not only water safety and technique, but also life-long values like discipline, integrity, and teamwork.

As we prepare for another exciting season, we are seeking sponsors to help us keep participation fees affordable, cover facility expenses, and provide essential gear for our swimmers. Your support ensures that more children have the opportunity to grow in and out of the water.
