

DONNER SWIM CLUB

PHOTO & MEDIA RELEASE

2026–2027 Membership Year

Donner Swim Club may photograph, video record, or otherwise capture images of athletes during practices, competitions, team events, awards, clinics, and other Club-sponsored activities.

With parent or legal guardian permission, Donner Swim Club may use an athlete's photograph, video, name, and swimming-related accomplishments for legitimate Club purposes, including:

- the Donner Swim Club website;
- Club social media;
- newsletters and team communications;
- athlete and team recognition;
- promotional or fundraising materials; and
- other Donner Swim Club publications.

Donner Swim Club will make reasonable efforts to use athlete images and information in an appropriate and respectful manner and in accordance with applicable USA Swimming Safe Sport and MAAPP requirements.

Photography and recording involving Donner Swim Club athletes are also subject to the Club's Photography & Media Policy and applicable USA Swimming Safe Sport requirements.

Parents or legal guardians may decline media permission without affecting their athlete's membership or participation in Donner Swim Club.

A parent or legal guardian may change their media preference at any time by notifying Donner Swim Club in writing. Any change will apply to future use. Donner Swim Club cannot guarantee removal of materials previously published, distributed, or shared outside of Club-controlled platforms.
