

Refunds and Cancellation Policies

As a LCSC parent/swim team family and swimmer, we (I) agree to:

1. LCSC does not offer refunds if your swimmer must withdraw from a Swim Session. You are responsible for paying the fees for the entire session if your swimmer chooses to withdraw for any reason. LCSC may occasionally approve a credit towards future Session Dues for medical reasons. Such requests are reviewed and approved by the Board of Directors on an individual basis. A letter from a doctor is required for medical withdrawals from the Session.

2. LCSC will not refund the USA Swimming registration fee for any reason as the registration fee is not retained by LCSC and is passed along to USA Swimming.

3. If your swimmer(s) is in multiple sports, or prefers not to swim during a certain session, please consider signing them up per session rather than the entire swim year. If your swimmer(s) chooses to participate in another activity, or take a session off from LCSC, and you have agreed to the year commitment you will be charged for the entire year.

4. LCSC is not able to refund swim meet entry fees as the hosting team will not refund LCSC once the swim meet commitment is made by the swimmer via the meet registration process.

5. Pay all late fees. A late fee of \$15 will be automatically assessed to your account for any unpaid balance as of the 10th of each month. If the balance remains unpaid 15 days past the due date, your athlete(s) may not be allowed into practice until the entire outstanding balance is resolved.

By checking the agreement box, you are giving written documentation that you and all members of your family will adhere to the Refunds & Cancellation Policies laid out by LCSC.
