Purpose:

This policy establishes guidelines for athletes seeking a leave of absence from the team.

Policy:

Leave of Absence for Medical Reasons or Traumatic Life Event

An athlete may apply for a leave of absence from the team for medical reasons or due to traumatic life event (e.g. death in immediate family) and pay 25% of dues installments to hold space within current pool. Account must be in good standing and if applicable – note from health care provider must be furnished.

Requests for dues reduction for other reasons will not be accommodated (e.g. to play on a high school sports team). Dues are payable in full each month to maintain their spot on the team. Note that coach approval must be obtained for absence from any performance training groups resulting in an athletes attendance dropping below 80%.
