

## **Sponsor our Swim Team!**

The Lima Family YMCA Barracudas is looking for sponsors for the 2025-2026 competitive swim season. The Lima Barracudas compete in the Northwest Ohio YMCA Swim League (NWOYSL) and at select USA Swimming short-course and long-course meets. We expect to have more than 120 individual swimmers between the ages of 4-18 years on our swim team for the upcoming competitive season. Our home swim dual meets will have more than 150 spectators and our Fall Fiesta Invitational (11/15/25) will bring in more than 1,000 spectators and swimmers to the Lima Family YMCA.

## **Lima Barracudas Mission Statement**

Together we are committed to swimming excellence in an enjoyable environment that places emphasis on the core values of honesty, caring, respect and responsibility.

## **Why the Y?**

The Lima Barracudas are a very successful local competitive swim team with many YMCA National Qualifiers, USA Future Qualifiers, and USA Winter Junior National Qualifiers in our history. We have supported many swimmers through their childhood and were a part of their journey to collegiate swimming. Join us in contributing to the athletic and personal success of the youth in our local area. We have won many team championships in the NWOYSL, including the last two seasons. While our team boasts many elite swimmers, we have also been developing swimmers that have learned to swim and be safe around water while providing an environment that allows them to grow through life's challenges. We are here **FOR ALL**.

## **Partnership**

We would like your business to consider becoming a partner with our swim team. It is a fantastic and unique opportunity for a business to support a competitive YMCA swim team that promotes honesty, caring, respect, and responsibility in a competitive swimming environment. The Lima YMCA is an excellent venue to promote your business to hundreds of families in the West Central and Northwest Ohio area. As a Swim Team Sponsor your company will receive recognition to the level of support, for example:

- Your company's logo and link to your company's website visible on our website.
- Your company's logo displayed with high visibility at the Lima YMCA during our home meets.
- Your company's sponsorship recognized at all home meets.
- Your company's logo or name printed on our team shirt.

Thank you for supporting the Y, the swim team, and for entrusting us in developing our communities' future leaders
