

## Swim GSA Team Apparel and Equipment Policy

Approved: October 20, 2021

Swim GSA is pleased to partner with TYR as the official uniform, apparel, and equipment supplier for our team. The below policy is in place to ensure we uphold our responsibilities as stated in the agreement. This partnership allows members of Swim GSA discounted pricing on aquatic performance apparel and training equipment.

**Team Equipment** - Equipment items for each training group will be outlined at the beginning of each season. Previously purchased equipment may continue to be used without issue. When equipment needs to be replaced, TYR equipment is preferred.

**Team Apparel** - Parents and swimmers will be made aware of any apparel items that are required. All other apparel items are optional and can be purchased by families throughout the season.

**Swim Meet Uniform** – An on-deck uniform appearance is one method of demonstrating team identity. From the time athletes arrive, to the time they leave, swimmers are asked to be in Swim GSA team apparel (t-shirt, team suit, sweatshirts etc).

- **Team Suit Meets** - For all meets designated as team suit meets, swimmers will wear their TYR team suit and red Swim GSA cap. In the event the TYR team suit is not available, a plain navy TYR suit may be worn.
- **Tech Suit Meets** - For all meets designated as tech suit meets by SwimGSA coaches, swimmers may wear their NCS approved tech suit. 12 & Under swimmers may choose to wear a TYR Fusion or Thresher (knee length is an appropriate option if desired). 13 & Over swimmers may choose to wear TYR Fusion, TYR Thresher, TYR Avictor or TYR Venzo. The TYR tech suit can be of any design/color/pattern. A swimmer may always choose to wear the TYR team suit. The red Swim GSA cap will be worn.
  - When a new tech suit is necessary, TYR brand is preferred.
  - Swimmers choosing to compete in a non-TYR tech suit at a regional or national meet, will not be eligible for TYR sponsored benefits (i.e. Swag Bag) associated with that specific competition.

Swimmers and coaches are asked to use and wear TYR products when competing and/or training under Swim GSA. Swimmers and coaches are encouraged to refrain from wearing apparel bearing the name, mark or logo associated with any businesses or entity that is in competition with TYR or its products.
