

# The Reactor Report

Vol. 18

It is officially October, which means that it is Breast Cancer Awareness month. We are excited to announce that our fundraiser is off to a great start! We are partnering with the Warrior Sisterhood and they are excited to work with us as we raise money for local women battling this awful disease. I just wanted to share a portion of the email that their VP sent me:

Dear Jesse,

Thank you so much for reaching out and choosing the Warrior Sisterhood as the beneficiary of your Breast Cancer Awareness Month fundraiser. We are truly honored to be part of your efforts, and I completely understand the excitement—what you're doing for the Tri-Cities community is wonderful, and we're so grateful for your support!

One of our main initiatives is providing chemo bags to local women beginning chemotherapy. Each bag is carefully assembled with items like anti-nausea wristbands, blankets, ginger tea, and other essentials that bring comfort during their treatments. Your fundraising efforts could directly support the purchase of these items, allowing us to continue offering this support to even more women in our community.

Additionally, we love including personal messages of hope from our supporters inside each chemo bag. If you and the Atomic Swim Club would like to participate, we could include a special message from your team with the items purchased through your donations. These messages mean so much to the recipients, offering encouragement and reminding them they are not alone during their journey.

Warm regards,

Patricia Mosley  
Vice President, Warrior Sisterhood Board

I know that many of us know someone or have a loved one that is fighting this horrible disease right now. So any and all help that we as a team can provide these amazing fighters is greatly appreciated! I am including the link for the fundraiser page, so if you would please share it with anyone you know, or think might want to donate, that would be great. Donation can be any size, even a few dollars can go along way to helping those in need.

Some of you have already donated and I cannot thank you enough for your generosity. I will be getting the pink swim caps handed out next week at practice. Again, thank you all for your support for these amazing athletes, support for the Atomic team, and support of the entire community.

## Swimmer of the Week

**Emma Greco**

We are excited to announce Emma Greco as the Swimmer of the Week. Emma has been through a lot in her swimming career, and like many great athletes she has had her battles with injuries. It has been so refreshing watching Emma rediscover her passion for the sport of swimming over these past few months. It was heartwarming watching her help the younger Atomic swimmers at their very first swim meet last weekend in Pullman. Emma and the coaches were very satisfied with all of her swims at the Cougar Fall Fury meet. It will be great to continue to watch her grow and thrive as the season progresses. Thank you Emma for all of your help and for being such an outstanding leader/role model for the next generation of swimmers.

Donate \$20 and get a limited edition pink Atomic swim cap.
