

Meet Signups in Commit

Welcome to the short course season! If your swimmer is a Level 1, 2, 3, 4, or Elite, we STRONGLY encourage them to attend at least one meet per month.

To see upcoming meets, log into Commit (<https://commitswimming.com/>) using your user ID and password and click on the 'Meets' tab on the left side of the screen. The pages that follow explain in greater detail the process for viewing meets, committing to meets, and signing up for meet events.

Inside Commit, you can select an individual meet to view more details. The Information tab contains general information about the meet and a linked pdf. The pdf outlines specific details including location, schedule, available events, and other guidelines.

If you commit your swimmer to a meet, you also NEED to sign them up for events in that meet! If you are unsure of which events to sign up for, please do not hesitate to reach out to your swimmer's coach, *you can message questions directly through commit under the meet sign up under messages*. Also, your swimmer does not need to swim every day of a meet. When signing up for events, please be mindful of the days of such events (for example, if you are only planning on attending the Saturday session of a meet, please make sure not to sign up for events on the Sunday session).

PLEASE be aware that even though you may commit to a meet and sign your swimmer up for events, BWSC's entries may not be accepted for that meet due to limited space. If this unfortunate situation occurs, a communication will be sent out as soon as possible.

If you need any assistance with meets, please reach out to our Meet Coordination Committee board members:

Meet Sign Ups Walkthrough

Click to commit

Once committed click events

Choose events!
Your swimmer does not
need to swim both days!

Pay attention to sessions and
refer to the meet information
found under the INFORMATION
tab so you know what time
warm ups begin

If it is red and registration is closed then it has been sent in for consideration

If it is green the meet has not been sent in and we do not know if we did not get in the meet.

Understanding D1/D2/D3 and S1/S2 when entering events for a Swim Meet

When signing your swimmer up for a meet, you will see terms like D1, D2, D3, and S1, S2. Here's what they mean:

 Days refers to which day of the meeting it is (D1 = Day 1 of the meet, etc)

Most weekend meets are Saturday–Sunday, but some also include Friday events.

If the meet starts Friday:

- D1 = Friday
- D2 = Saturday
- D3 = Sunday

If the meet starts Saturday:

- D1 = Saturday
- D2 = Sunday

So, D1 always means the first day of that specific meet, even if that's not a Friday.

 Sessions - Meets are often split into multiple sessions each day and throughout the weekend, usually by age group. (S1 = First session of the meet, etc)

For example:

Younger swimmers (10 & under / 11–12) may swim in S1

Older swimmers (13 & up) may swim in S2

The meet information will always specify which ages swim when.

Example - This meet includes Friday evening, two Saturday sessions and two Sunday sessions

D1/S1 - First day, first session (Friday evening)

D2/S2 - Second day, second session (Saturday morning)

D2/S3 - Second day, third session (Saturday afternoon)

D3/S4 - Third day, fourth session (Sunday morning)

D3/S5 - Third day, fifth session (Sunday afternoon)

Always check the meet information for:

Which day and the events your swimmer is entered to swim

Which SESSION your swimmer's event is and what time your swimmer needs to check in
