

## 2025 Fall Fiesta Parking Information

The two attached maps have 4 Y approved lots that I was able to map out to share with your families and another public parking space available just southwest of our Y at Liberty Elementary and it is just a short walk to the Lima Y from there.

Lot 1: This is the lot that is directly connected to the Y. The Y generally prefers this to be available to members only, but I am not policing that ☺.

Lot 2-3: These are directly across from our Y. They would generally be preferred parking.

Lot 5: There is a small lot at the front of Liberty Elementary school that is all unmarked parking. This is available to use but it is public parking and is not managed or owned by the Y. There is a larger lot behind that but would increase the walking distance by a few minutes.

The Local VFW that is across Main St.(and east of the Y) has a large parking lot, this is **not available for parking**. The lot is typically locked but if it is open, they will likely tow any vehicle that is parked and does not belong there. There is some street parking around the Y but it is extremely limited. The VFW is closed and the property is owned by the City of Lima.
