

The Reactor Report

Vol. 16

T-minus 5 days and counting, before the Atomic Swim Club attends their first short course swim meet as a team! I hope that all of those families and athletes attending are as excited as the coaches to represent the Tri-Cities at the Cougar Fall Fury meet this weekend in Pullman. We have 14 amazing athletes registered and ready to go swim their best at GIBB pool. For many of these athletes it will be either their first club swim meet ever, or their first swim meet ever! Let's all show them tons of support this week both on and off the pool deck. Here are the names of those 14 ATOMs positively charged and excited to compete:

Marcus Belsito	Cameron Kartchner	Mailey Parish	Zeke Turner
Cody Cowin	Caleb Keaney	Matthew Swenson	Jack Vickery
Jocelyn Foss	Cameron Keaney	Michael Swenson	
Emma Greco	Cruz Morfin	Julian Torres	

Swimming Successes around the Tri-Cities!

It is the Atomic philosophy that our team members strive to do more and be more than just amazing members of the Atomic Swim Family. We strongly believe that participation in and the support of the local high school swim programs is vital to having a healthy swim community for all Tri-Citians to enjoy. I want to take a moment to highlight just a few of the Atomic swimmers currently making big waves in high school swimming.

Rebekah Jenks (Pasco)	Qualified for districts in:	50 free, 100 fly, 100 back
Alaina Muenks (Richland)	Qualified for districts in:	50 free, 100 fly, 100 free, 500 free
Brie Riggs (Hanford)	Qualified for districts in:	200 IM, 50 free, 100 fly, 500 free, 100 breast
EJ Wallace (Hanford)	Qualified for districts in:	200 free, 200 IM, 100 fly, 100 free, 500 free
Julianna Woodward (Southridge)	Dropping time in her 50 free, 100 free, and 100 backstroke	

There will be no practice for any groups this Friday. The coaching staff is going to Pullman early to get things organized, setup, and support the WSU swim team at their home meet Friday. Thank you all for your continued support for all of these amazing young athletes!

9/23 - 9/27 Practice Schedule

Group	9/23	9/24	9/25	9/26	9/27
Electrons 1	x	5:30-6:15pm	x	5:30-6:15pm	NO PRACTICE
Electrons 2	5:30-6:15pm	x	5:30-6:15pm	x	
Neutrons	6:30-7:30pm	6:30-7:30pm	6:30-7:30pm	6:30-7:30pm	
Protons	6:30-7:30pm	6:30-7:30pm	6:30-7:30pm	6:30-7:30pm	
Uranium	5:30-7:30pm	5:30-7:30pm	5:30-7:30pm	5:30-7:30pm	
Plutonium	5:30-7:30pm	5:30-7:30pm	5:30-7:30pm	5:30-7:30pm	

Swimmer of the Week

Cameron Kartchner

Our Swimmer of the Week is Cameron Kartchner. Cameron is one of the many phenomenal new additions to the Atomic Swim Family, but he is no stranger to competitive swimming. For the past several years he has been a strong leader of the Pasco Barracudas summer team and the Chiawana Riverhawks high school team.

Cameron can be heard regularly cheering on and motivating his team mates during practice. After just a few weeks of intense training Cameron has shown noticeable improvements in his backstroke and freestyle. The coaches are extremely excited to see how all of his hard work and dedication in practice will pay off at his first club swim meet this weekend in Pullman. Thank you Cameron for being such a strong addition to the Atomic Family and good luck at the Cougar Fall Fury!
