

## **LAKE CHAMPLAIN WAVES**

### **PRACTICE CANCELLATION POLICY**

Recognizing the fact that Family Members of the Lake Champlain Waves Swim Team (Team) have paid registration fees which, in part, include the cost of holding swimming practice, it is the policy of Board of Directors of the Team and its' coaches to offer swimming practice on every scheduled practice date except when Ausable Valley Central School District, Chazy Central School District, and/or Plattsburgh City School District is closed for a holiday, School Varsity Swim Meet, has cancelled either school or afternoon activities, or has pool issues.
