

# THE SWASHBUCKLER

...becoming better people through excellence in swimming.

The week of June 15th, Pirates were busy hosting the Alberta Northern Summer Festivals. We had 20 pirates qualify for the event. The pool was alive with 12 different teams all competing with the best 10&U girls and 11&U boys in the North. Pirates swam hard making their way to the podium and getting new best times all around.

We want to thank all our Pirate Parents and volunteers for the great work in running a smooth meet. We appreciate all the hard work that goes into hosting and thank you all.

## Newly Achieved Pirate Times
