GREAT RACING THIS WEEKEND

This weekend was filled with exciting moments as many of our swimmers qualified for regionals or added new events to their schedules at the regional competition. Additionally, I'm thrilled to report that several of our talented swimmers earned spots at the Illinois State Championship meet.

Throughout the weekend, I observed significant improvements in both diving performances and race strategies, showcasing the hard work and dedication of our athletes. However, it's important that we remain mindful of event schedules to avoid arriving late for warm-up, as this can disrupt our warm-up routines and overall readiness.

Overall, I couldn't be happier with the efforts displayed by every swimmer this weekend; your determination and sportsmanship truly made the Turtles proud.

I would also like to remind parents that if you captured any photos during the meets, please send them my way. I would love to feature them on our website, as I am unable to attend every meet to take pictures myself. Your contributions would greatly enhance our team's memories and community spirit!
