VERNON HILLS PARK DISTRICT TURTLES

The first week is behind us, and we have some important Housekeeping information to share.

HOUSEKEEPING INFORMATION

Just so you know, Bronze parents at Lakeview, you are not allowed to use any gym equipment without a valid Park District membership.

The park district is currently offering a 6-month special membership for parents of Turtle Swimmers. Additionally, parents are reminded that they are not allowed on the pool deck. Please let your swimmers walk onto the deck by themselves and get settled; you can watch from the viewing area.

Parents are also not permitted on the pool deck. At Vernon Hills High School, you may watch from the seating area upstairs of the pool. If you need to speak with a coach, please do so after the class has finished.

All swimmers must wear a shirt and shoes in the High School lobby.

SWIM MEET INFORMATION

A friendly reminder: to participate in USA swim meets, it's essential to have a payment method on file. Without it, we won't be able to charge for your swimmer's entries, and unfortunately, that means they won't be invited to compete.

Swim-A-Thon Fundraiser

An email was sent to you yesterday regarding registration for the Swim-A-Thon Fundraiser. Please fill in your swimmer's name and indicate how much they can raise. (If you encounter any issues during registration, please let me know, and I can assist you by making the necessary adjustments on my end.)
 We are asking each swimmer to raise a minimum of $100. You are welcome to raise more, and there will be prizes for the top four highest fundraisers, as well as additional prizes for reaching certain fundraising milestones.
You can accept pledges or flat donations starting today till Oct 30th.
