Fees

* USA Swimming Annual Registration - Minis - \$30, All other groups \$98.

Meet Fees

Host team entry fees can be found in the meet packets that are posted on our team website once provided by the host team.

In addition, a surcharge is assessed to cover the cost of coach travel expenses to meets outside of Southern Maine. This is capped at \$100 per swimmer and \$200 per family.

Entry fees and surcharges are billed on the 1st of the month following meet commitment deadline.

Once a swimmer has signed up for a meet, the family will be charged for all related fees, regardless of participation as most meet entries are submitted several weeks/months in advance. Bluefish is required to pay the host at that time and is not refunded by the host team if a swimmer does not participate.
