

Hospitality **Sponsorship Opportunities for LESD families**

We are excited to offer new Hospitality **Sponsorship Opportunities for LESD families**. Sponsorships provide a unique way to support LESD, earn service hours, receive recognition, and help provide hospitality for the officials, coaches, volunteers, and meet staff who make our meets possible.

Each hospitality meal serves approximately 60–100 guests, depending on the meet, and provides valuable support to our events while offering recognition throughout the meet and within the LESD community.

Many employers offer community sponsorship, charitable giving, or marketing opportunities. LESD families with business ownership, employer sponsorship programs, or local business connections are encouraged to participate.

Sponsor Recognition Includes

- Meet announcements during the event
- Recognition in meet communications
- Hospitality area signage
- Recognition in the meet program and/or heat sheet
- Opportunity to display promotional materials or business information (subject to facility guidelines)
