**Volunteer Assignments & Arrival Times-** Volunteer assignments and arrival times have been posted and are attached. Please review your job assignment and plan to arrive on time. Check in will be located in the pool level back hall

If for any reason you are unable to make your shift, please email us as soon as possible and/or try to find a replacement. **Please do not make changes in SignUpGenius**, as we will not have time to review updates during meet set-up and throughout the meet.

**CSU Facility-** Last we heard, the facility is still chilly on deck (pool temperature is fine), so please be sure your swimmers bring plenty of warm clothing. We are also unsure if concessions will be available, so swimmers should bring their own snacks and drinks. *(Please note: hospitality is not for swimmers.)*

**Hospitality-** Thank you to everyone bringing food for our coaches and officials! Items may be dropped off in the hospitality area located on the pool level.

## Apparel Committee Update

If your swimmer needs additional caps ( Red,black, pink ), you may order them online at any time during the season. We have new swimmers shirts and caps and will send to Wembley this weekend

 [Click here to order Caps](#) (also located on the website under the Apparel page).

***Keep an eye out for an email soon regarding the return of the NAG Bar patches.***

## Account Changes

**We want our swimmers to stay with us all year!** However, swimmers in Discovery 1 & 2, Challenge 2, and High School Performance may pause their accounts during the season. If you plan to request an account change, please complete the [Account Change Form](#) (also located on our website under jon LESD)

**Please note:** *Account changes are processed after the 1st of the month billing, which reflects the previous month's activity.*

## Important LESD Dates — Please Mark Your Calendars
