

THE SWASHBUCKLER

...becoming better people through excellence in swimming.

Pirates kicked off 2024 with the 12&U Series. Our young Pirates achieved numerous best times, heat winners and time standards. The following week our older swimmers took on the Blue Bear Meet to show off our hard work and technique. At both meets our younger and older Pirates achieved numerous best times, won heats and hit new time standards.

We ended the month with the 10 & Under girls and 11 & Under boys at the Alberta Winter Festivals North. Our girls A relay team WON the Medley Relay and placed 2nd in the Freestyle relay—both by the narrowest of margins! Achieved 2 new team records! Pirates took home lots of ribbons and could be frequently found on the podium in any given event.

Then Pirates were off to the Edmonton Open. Our older kids spun the wheel and hoped for a good prize in their heats. We saw new trial cuts and champ cuts come from our swims.

February Valentines meet - If you turned on the radio in Feb you would hear pirates shouting for joy as we came home with the team wins. As a Team, our girls took 1st place and the boys took 2nd out of the nine teams in attendance. Our Pirates showed Red Deer who was the best around.
