To everyone participating in the Swim-A-Thon, your fundraising efforts have been outstanding! Keep pushing forward! If you haven't started yet, now is the time to make a difference. We are a team, and our success in this Swim-A-Thon hinges on each of you raising \$100.00.

We're excited to announce our team outing to the Chicago Wolves game in early December. We'll be raffling off 6 tickets for an unforgettable night! With special seating together and the Vernon Hill Turtles featured on the big screen, it will be a celebration of our teamwork and spirit.

For every \$25 you raise, you'll earn one entry into the raffle:

- 1 Ticket for Bronze
- 3 Tickets for Silver
- 1 Ticket for Gold
- 1 Ticket for Green

Let's give a huge shoutout to our top three fundraisers as of September 28:

1. Altai & Aydin Arstan - \$357.45
2. Ellie & Brynn Patera - \$258.40
3. Alera Harris - \$248.40

Remember, there are incredible prizes awaiting you based on your fundraising achievements. Let's keep this momentum, Turtles! We have 32 days left. Every effort counts—no contribution is too small!

We would like to remind all parents that there are still individuals who have not yet registered with USA Swimming. It is mandatory for all Turtle swimmers to be registered with USA Swimming. When completing the registration process, parents may select the Flex Membership if the swimmer intends to participate in at least one USA meet this season. Conversely, if the swimmer anticipates competing in more than two meets, the Premier Membership is recommended.

Furthermore, it has come to our attention that some parents have not yet provided a payment method on file. Please take a look at your account and if you have not added a payment method please do so ASAP. Thank you for your attention to these important registration requirements.
