

Jenks Trojan Swim Club

The Jenks Trojan Swim Club (JTSC) is a highly competitive swim club that focuses on teaching proper technique. Once foundational techniques are mastered, our swimmers are free to pursue their maximum potential as they progress through our program.

*Jenks HS swimmers do not count towards the family max
- USA Registration** \$85/swimmer (paid to USA Swimming)
- Meet Fees** Meet fees vary depending on the level of the meet, ranging from \$25-\$85+
Plan on attending on average one to two meets per month.

Parent Volunteer Requirement

We host incredible meets at the Jenks Trojan Aquatic Center, and we are only able to do so with the support of our Parent Volunteers! **Each family is required to volunteer for 20 hours for the short course season & 20 hours for the long course season**, regardless of swimmer's level of competition. There are two seasons per year- Sep to Feb, and Mar to Aug.

A fee of \$40 per hour not fulfilled will be assessed on March 31 and August 31 or prorated for any swimmer withdrawing mid-season. Any family member or friend over the age of 14 may help.

We just finished our Tryout, where do we go from here?

After tryouts have concluded, you will be contacted by email with the results. Every candidate will receive a group recommendation with instructions for the next steps.

Swimmers that qualify for the team will be offered a trial week to make sure that it's right for the family. The trial week for this tryout starts Monday, March 24th, 2025.
