

The Reactor Report

Vol. 11

This past week has been so much fun welcoming all of the new athletes who have chosen to join us for the August Addition program. Waking up early every morning can be tough, but when we are surrounded by so many amazing people, with so many positive attitudes, it makes it all worth it in the end. We have one more week of morning practices before we shift our schedule to the school year evening practices.

JOIN THE FUTURE OF SWIMMING IN THE TRI-CITIES!

This week we are also excited to be having our first official tryout on Monday, Aug 19 at 9:30am, for the upcoming fall swim season! It has been wonderful to watch the Atomic family grow, and our dream of expanding the swimming community in the Tri-Cities become a reality. It is only through the support of amazing families like all of yours that we can continue to provide the highest quality experience to all athletes. Thank you all for believing in us and we will stick to our philosophy of putting the athletes first.

Swimmer of the Week

Jadley Jeppson

To honor Jadley Jeppson fully as the swimmer of the week, I have to rewind the clock and share with all of you how far Jadley has come in his very short swimming career. Jadley's swimming journey began his freshman year at Hanford High. On his first day of swim practice he could barely complete a 25 free and didn't know what a flip turn was. Now just a few short years later Jadley has become one of the top male swimmers in the Tri-Cities and the state of WA. He really stepped up his focus his senior year, placing 7th at state in the 500 freestyle. This amazing growth, in such a short time, is a testament to his determination and dedication to the sport of swim. We are sad that Jadley will be leaving the Atomic family this fall, but we are excited for him to go on his mission and continue on his life journey. Jadley, it has been an honor to have you be an ATOM, Thank you.
