Outstanding Fees

It is the expectation of the Parkland Pirates Aquatic Club that all fees will be paid at the time of billing. Any fees not paid within 7 days of the date of billing will be subject to a \$25 NSF fee, applied to each individual charge.

Members with account arrears will have 60 days from failed payment to pay the full balance on the account, including any fees incurred after the first failed payment. If the balance is not paid within 60 days, the swimmer will not be able to participate in club activities, including but not limited to practice, swim meets, and intra-squad events.

If a member anticipates difficulty with making payments in a timely manner, they will contact the PPAC Treasurer to discuss the matter further at the earliest possible time to discuss the matter.

If a member's account is in arrears at the end of the swimming season, the swimmer will not be able to register for the next season until all arrears have been paid in full.
