Thank you for your interest in Pendleton Swim Club! Evaluations will take place at PHHS. You may park by the athletic doors (in the parking lot across the street from Wendy's) and go through entrance 4N on the north side of the building. The swimmer needs to arrive in his or her swimsuit, and please bring goggles and a towel. After the evaluation, the child will know if they are ready to join PSC and which group he or she will be in.

Registration is done online through our website and will need to be completed before the swimmer is able to practice. Please review the following information in this registration letter and feel free to reach out to our headcoach@pendletonswimclub.com email (Amanda Safford) with any questions you may have.

Important Information

- New swimmers are required to have a copy of his or her birth certificate e-mailed to Heidi Greer at info@pendletonswimclub.com . This is a requirement to become a member of USA Swimming and must be received before the first practice of the season. Indiana Swimming also requires us turning in these.
- You can find a list of needed equipment on the club website under the TEAM GEAR tab. All equipment can be purchased from any supplier but Elsmore Swim Shop is the preferred supplier as our team does get discounts and some awards. Team suits are only available through Elsmore. Additional PSC swim caps are available for purchase at practice. You will be responsible for purchasing a club swimsuit in order to compete.

2026-2027 Fall/Winter Fees – SCY (Short Course Yards) Season

- PSC Splash Fee of \$80 must be paid at time of registration. This is used for a PSC team t-shirt, team swim cap, end of season awards, registration costs for our website, and team meals throughout the season. This fee is non-refundable.
- The USA Swimming athlete registration is \$90 for the entire year. Parents will need to register their swimmers directly on the USA Swimming website. This will not be open until early September. DO NOT register before this or the registration will not be for the current season. If you swam this past season with PSC your membership is likely good until December. You will have to reregister at that time. ALL swimmers need to have a Premium Membership.
- Short Course Yards (SCY) Season Fees – covers the Fall/Winter season in full. There is a \$25 discount if the season is paid upfront (discount included below). Please keep in mind that the financial obligation is for the entire season in order to cover costs such as: facility maintenance, coach payroll, liability insurance, website, etc. No refunds will be provided unless a medical reason prevents your child from participating for the rest of the season. If “installments” are chosen, all payments must be made by the end of the season.
- Swim meet fees are in addition to the membership dues. These fees are paid per event and decided by each host team. The meet entry fees will be due after the meets and invoiced to your account. These are usually about \$5 for each event swam plus a \$3 Indiana Swimming Charge. Sometimes admission is charged upfront and invoiced with meet fees and other times it is charged at the door.
 - Championship Fees – Swimmers that make it to championship meets will have additional fees. This goes toward the cost of additional coaching hours and in some cases coach travel costs. If your child makes time cuts and chooses to register for the meet in Commit, the following fees will be added to the account.
 - Divisionals - \$50 * State - \$100 * Zones - \$200

GROUP	SCY SEASON	INSTALLMENTS (5 monthly payments October 1-February 1)

Financial Support

Charlie's Fund through the South Madison Community Foundation does have the ability to support families in need of financial assistance for swimming. This assistance is available on a case by case basis. Financial need will need to be present and proven. This is our first year working directly with them but we are so thankful that they are supporting swimmers! This fund will only help swimmers living in the following townships: Adam, Green, Fall Creek, and Stony Creek. We are looking into options for future seasons to support swimmers outside of this area.
