

## Cincinnati Marlins Volunteer Requirements Program– 2025-2026 Short Course Season

QUESTIONS: [volunteers@cincy-marlins.com](mailto:volunteers@cincy-marlins.com)

Why do we have a Volunteer Requirements Program? USA Swimming Meets are run almost entirely by unpaid volunteers. The Marlins take great pride in running the best swim meets in the region. To run the best swim meets, it will take 4,000+ volunteer hours just for this Long Course Season!

1. **Service Credit Obligation** – Each family is required to complete the following during the Short Course Season (September – March):

- **Bronze/ Platinum\*** = four (4) service credits
- **Silver** = five (5) service credits
- **Gold/ Blue** = seven (6) service credits
- **Senior/ National** = five (5) service credits

*\*Platinum families participating in Meets are asked to volunteer*

Credits are per account name/ family. What is a credit? (1) credit = (1) completed job for a full session at a Meet. In the event a family has multiple swimmers in different practice groups, the Service Credit Obligation is calculated based on the highest level swimmer for the family (i.e. 1-bronze swimmer and 1-senior swimmer = 5 credits).

Credit Obligations for families joining after the initial registration period and after the Intrasquad Meet will be pro-rated based on how many Hosted Meets remain in the Season as a percentage.

Credit Obligations for the next Short Course Season will be determined once the Meet Schedule and Roster has been finalized for the Short Course Season, approximately in September.

There is no credit carry-over between Short Course and Long Course Seasons, your obligation resets.

2. **Obligation Per Hosted Meet** – Each family is required to work a minimum of one (1) Session at TYR, and Regionals. Hosted Meets for the 2025-2026 Short Course Season Include:

- a) 9/27/2025 CM Intrasquad (**1-job MAX per family**)\*
- b) 10/12/2025 CM Buckeye Border Battle (**2-job MAX per family**)
- c) 11/14 – 11/16/2025 CM Jose Cerda
- d) 2/6 – 2/8/2025 CM TYR Winter (**1-job MIN per family**)
- e) 2/19 – 2/22/2025 OSI SC Regional Championships (**1-job MIN per family**)
- f) 3/3/2025 CM Last Chance

*\*volunteer sign-ups only open to high school families for this meet (Senior, National)*

3. **Away Meets** – Away meets hosted by the Ohio LSC may require the Marlins to volunteer. Examples include JC Champs and the Senior Champs. These requirements are not made available to the Marlins until immediately before these Meets. Once known, these jobs will be

posted with an announcement to sign-up. If your athlete is participating in these meets, the Marlins encourage you to assist in our volunteer obligation to our LSC (Ohio Swimming, Inc). *These jobs will likely not count towards your Marlins obligation.*

Other Away Meet volunteering will likely not count towards your Marlins volunteer obligation. If you do volunteer at an Away Meet, notify [volunteers@cincy-marlins.com](mailto:volunteers@cincy-marlins.com) and we will make a note. Volunteering for your Summer Club or High School does not count towards your Marlins volunteer obligation.

4. **Fees** – Failure to satisfy the Service Credit Obligation, including Obligation Per Hosted Meet, for the Season will be \$100 per credit missed.
5. **Signing Up for Service** – We will be releasing all Hosted Meet Job sign-ups for the entire season at one time for all unskilled jobs (i.e. timers, concessions, hospitality, marshall, maintenance, etc...). Job sign-ups for skilled jobs that require training (i.e. officials, data board/ computer, clerk of course, etc...) will be managed by respective Meet Department Chairs. Contact the Meet Department Chair to sign-up for these jobs, or if you are interested in learning more about these skilled jobs.
  - a) Login to your Commit Account: <https://team.commitswimming.com/sign-in>
  - b) Login to Commit (top right) / Click Jobs (left bar) / Select Meet / Select Job(s)
  - c) Away Meet and OSI Championship Job Sign-ups will be posted once known;
  - d) The Volunteer Committee will review job sign-ups throughout the season, and may solicit changes to individual job sign-ups to ensure our Hosted Meets are staffed sufficiently;
6. **Paid Workers** – We are bringing back the option for Families to solicit help from a list of families or athletes (above the age of 14) to meet their Service Credit Obligation. This list can be used to satisfy your Service Credit Obligation and/or to find a substitute in the event of an emergency or conflict for a job you had previously signed up for. All communication, confirmation of availability, and payment is the responsibility of Family who signed up for the worker session. The flat fee due to paid workers is \$50. An updated “Paid Worker” list will be emailed to all families. If you or your athlete (over the age of 15) are interested in becoming a “Paid Worker” please complete the following form: <https://forms.gle/YwDUcrsRJJtbUB2v7>
7. **Tracking of Service Credits** – will be maintained in Commit. Please check your account regularly to ensure credits for sessions worked are in your account. For non-posted jobs home or away (i.e. the Announcer asks for more Timers), please contact [volunteers@cincy-marlins.com](mailto:volunteers@cincy-marlins.com) who will confirm details of the session worked.

*Commit developers are still working on adding a volunteer balance to the dashboard. Until this is released, contact [volunteers@cincy-marlins.com](mailto:volunteers@cincy-marlins.com) at any time to check your volunteer balance.*

**In order to receive full credit:**

- Be on time for your worker session;
- Sign-in at the Volunteer check-in table;
- Work the entire session, leaving early may result in zero credit;
- Credits may not be split between families;
- It may take up to 10-days following a Meet for credits to show up on your account;
- **If you are working a skilled position or a special assignment from the Head Coach or Business Manager to earn volunteer credit outside of Commit, it is your responsibility to notify [volunteers@cincy-marlins.com](mailto:volunteers@cincy-marlins.com) to receive this credit.**

**8. Service Credit Billing** – The Marlins encourages each Family to distribute your Service Credit Obligation throughout the entire season.

- If a family terminates participation in the Marlins prior to the end of the respective Season (Short or Long Course), the account will be invoiced for any outstanding Service Credit Obligation at the time of termination based on the fees noted herein;
- At the conclusion of each respective Season (Short or Long Course), a Service Credit Obligation balance notice will be sent to all Families that have not satisfied the Obligation noted herein. Following a brief period to correct any errors, accounts with an outstanding balance will be invoiced based on the fees noted herein;

New Families are encouraged to reach out to the Volunteers Committee, Business Manager, New Family Committee, or other experienced Families for help understanding Volunteer expectations for the Marlins. Table 1 below identified example Volunteer jobs. We always welcome your comments, suggestions, and feedback for improving our Volunteer Requirements Program to better serve our Families, host best-in-class meets, and be an UNCOMMON force in the swimming world!

## Frequently Asked Questions (FAQs):

The new website through Commit is also new to us, so please bear with us if there are any logistical or technical issues during job sign-ups and/ or credit tracking.

**Q –** How do I know what session to sign-up for?

**A –** Refer to the Meet Packet for each swim meet (<https://www.cincy-marlins.com/meetinfo>) which will likely be the following format, subject to change by the Meet Director:

Generally AM sessions are for 11& Over, PM sessions are for 10& Under, and Finals are for 11& Over

---

**Q -** Can I sign-up for multiple sessions at a meet?

**A –** Yes, there is no limit with the exception of Intrasquad

---

**Q –** Can I sign-up for multiple job during the same session?

**A –** Yes, but Commit is a little different process than Team Unify:

- 1) The primary parent account ID can sign-up for multiple jobs in a session, but not the same job. Therefore, if both parents [or sibling, family member, etc...] want to work the same job (i.e. time together) then a secondary parent account ID will need to be created;
- 2) Each parent account ID will need to sign-up for jobs separately.

Login to Commit / Click Swimmer's Name / Click 'Add Parent' (you may need to log out to create a password for the new account)

*Single parent households looking to sign-up for multiple jobs in the same session are encouraged to reach out to [volunteers@cincy-marlins.com](mailto:volunteers@cincy-marlins.com) for assistance.*

---

**Q –** What if I am out of town or otherwise unable to volunteer during a required meet?

**A –** There are two options:

- 1) phone-a-friend, trade with another family (must sign-up for the job under your account to receive credit);
  - 2) paid workers (must sign-up for the job under your account to receive credit);
- 

**Q –** How do I check my credits?

**A –** Commit / Jobs / Past Events\*

*\*this feature is currently being worked on by Commit. Depending on what the output looks like in Commit, and once volunteer attendance has been verified by the Meet Director, if need-be the Volunteers Committee may email the Team credit updates. Once the process has been verified, instructions will be sent out*

---

**Q –** How do I verify what jobs I signed-up for?

**A –** Commit / Jobs / Upcoming Events...or check your Dashboard

---

**Q –** What happens if I earn the required credits but do not volunteer at all the required meets?

**A –** Your account will be reviewed by the Volunteer Committee/ Parent Board and subject to fees noted herein.

---

**Q –** Do I have to volunteer at a meet my child is not swimming in?

**A –** Possibly. If you are short on credits, yes. If it is a required volunteer meet, yes.
