

1. **LCSC does not offer refunds if your swimmer must withdraw from a Swim Session.** You are responsible for paying the fees for the entire session if your swimmer chooses to withdraw for any reason. LCSC may occasionally approve a credit towards future Session Dues for medical reasons. Such requests are reviewed and approved by the Board of Directors on an individual basis. A letter from a doctor is required for medical withdrawals from the Session. LCSC is not able to refund swim meet entry fees as the hosting team will not refund LCSC once the swim meet commitment is made by the swimmer via the meet registration process.
2. **LCSC will not refund the USA Swimming registration fee for any reason** as the registration fee is not retained by LCSC and is passed along to USA Swimming.
3. **If your swimmer(s) is in multiple sports, or prefers not to swim during a certain session, please consider signing them up per session rather than the entire swim year. If your swimmer(s) choose to participate in another activity, or take a session off from LCSC, and you have agreed to the year commitment you will be charged for the entire year.**

By checking the agreement box, you are giving written documentation that you and all members of your family will adhere to the Refunds & Cancellation Policies laid out by LCSC.
