

Scholarship Information and Application (version 2025)

Purpose

SUSA Swim Team seeks to assure that no athlete is deprived of the opportunity to participate on the team for want of financial means. The intent of this program is to provide financial assistance to those swimmers who consistently demonstrate a sincere commitment to maximizing their swimming potential.

To this end, a limited scholarship fund has been created to help defray the costs of SUSA membership. To assure the equitable allocation of these funds, we ask that you complete and application and submit documentation of financial need. These documents are confidential and will be handled only by those on the Scholarship committee to ensure your privacy.

Information

Scholarship applications are due by ~~Sept. 10~~ September 20 this year. At that time, the committee will divide available funds between scholarship recipients based on financial need. To stretch our limited funds as far as possible, the committee gives preference for partial scholarships.

Applications are for one year (Oct through Sept). If awarded the scholarship, reduced monthly dues will begin Oct. 1 of that year. The final distribution will be given Sept. 1 of the following year. Scholarship awards are applied as a credit directly to your SUSA account.

Scholarship families may reapply each year. Receipt of scholarship one year does not guarantee receipt in subsequent seasons.

Scholarships are intended to help defray monthly dues, and cannot be used toward registration fees*, Family Fundraising Commitment, Service Hours, meet fees*, travel fees or equipment and gear costs.

A separate application must be filled out for each swimmer. Awards within a family may vary.

*USA Swimming Outreach is a financial assistance program for the costs of USAS membership and LSC meet fees. See the "Financial Responsibility" section of the Parent tab on our website for details.

Requirements

To qualify for a SUSA Scholarship, the athlete member and family must:

- Be in good standing with SUSA.
- Submit a Scholarship Application by Sept. 20.

Preference is given to swimmers who have participated for at least one year with SUSA and have demonstrated a commitment to swimming and a desire to be the best swimmer they can be.

Expectations

1. This is a yearly award – swimmers and families are expected to commit to at least one year of active participation in SUSA. If a swimmer quits before the year has been completed, the account will be billed the scholarship amount for the remaining months (if a swimmer is paying \$75/mo on scholarship, they will be billed \$75 for the entire year, even if they quit early).
2. All scholarship families are expected to fulfill all their service/volunteer hour requirements (due in June).
3. All scholarship families are expected to fulfill the Family Fundraising Commitment (due in June). The FFC helps to replenish the scholarship fund.
4. All swimmers and families are expected to abide by SUSA policies (including Code of Conduct for Swimmers and Parents, signed at registration each year). Violation of these policies is grounds for loss of scholarship.
5. Swimmers are expected to fully participate in team practices, mandatory swim meets, and other events and activities. Competition team requirements include a minimum of three practices per week and two meets per season (four per year), including any championship meets for which the swimmer qualifies.
6. Scholarship recipients are expected to write a brief letter of thanks to be shared with our generous donors. Consider sharing why swimming is important in your life and what it means to you.
